Thank you for taking the time out to get touch and we hope you can entrust us as your Bridal Hair Stylist on you're special day.

We have been styling hair for as long as we can remember (combined experience of 35years). We have been here on the Sunshine Coast serving hundreds of brides for the last 6-7 years.

In that time we have been apart of multi award winning teams, taking out Best Wedding Hairstylist in Australia 4 times and Best in QLD 5 times.

HOW IT WORKS

Everyone must have freshly washed and blow dried hair upon arrival. NO straightening though. This allows our day to run efficiently and smoothly.

As the bride, we allocate extra time for your hair. This allows us to be more of a perfectionist, add any accessories or veils if needed.

Bridesmaids can have the same look as each other or completely different, that is up to you. We can personalise each style to the individual on the day no problem.

Mums and extras, we can offer up styles, down styles or blow dries.

DO I NEED HAIR EXTENSIONS?

I can almost guarantee any pictures you have of wedding hair, they have either got hair extensions or hair padding in (unless they are insanely gifted with thick hair).

If you are considering having your hair down on your special day, 99% of my brides NEED hair extensions to achieve that look AND for longevity. Remember these styles need to last you ALL day and night, and hair extensions help with that.

Luckily for you, Ceri is an Educator for Showpony Hair Extensions. So rest assured we have you covered.

However, with up styles we might be able to get away with not using hair extensions and just a padding instead.

Complimentary application of hair extensions if bought through us.

Additional \$49 charge to apply other extensions

TESTIMONIAL

PREVIOUS BRIDAL CLIENTS

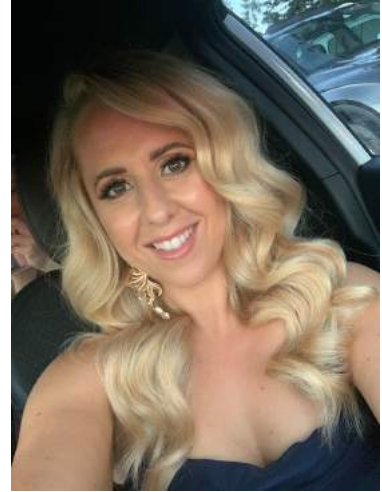

"Ceri at Coastal Blondes took care of myself, my bridesmaids, my mum, Nanna and Aunty on our wedding day in Rainbow Beach. She was amazing! We couldn't have asked for a more beautiful person to be there on the day, making us feel special. No hairstyle was too hard and Ceri's energy flowed through all of us that morning! Ceri also coloured and cut my hair two weeks before the wedding and it is to date the best colour I have ever had. I loved having you there with us Ceri. I wish we could do it all again."

HAVE ANY QUESTIONS?

4

DO I HAVE TO HAVE A TRIAL?

No, this is optional. HOWEVER, it is highly advised to have one, if possible. 99% of our brides have trials and have said it was the best decision to do so. It is a great chance to meet Ceri or Kristiina and you'll have a thorough consultation about your Wedding. All of your information given then allows us to create the hair style suited to you. You'll have peace of mind on the day as you know exactly what to expect. If you're not able to have a trial due to being interstate, we still recommend to have a trial the week of the wedding. Otherwise we can schedule a zoom consultation to discuss your options.

5

HOW DO I BOOK IN?

Please email us for a formal quote. This is where you're going to tell us how many people are in the bridal party, the location and the date etc. We will then email you back your personalised quote if your Wedding date is available. From there, you can pay the deposit to secure your booking. We require a \$200 non refundable deposit to secure the date.

6

DO YOU HAVE A MINIMUM REQUIREMENT?

To travel to you on the Sunshine Coast, we require a minimum of 5 people (including you) in your party for FREE Travel, we will still travel for 3-4 people but an additional travel fee will be charged.
